

# APRIL 21-28

# COMPASSION

# LOPEZ

## Cultivating Kindness

Compassion Lopez is a group of individuals and organizations dedicated to strengthening compassion on Lopez.

Activities are being planned to offer fun and creative ways to ignite and catalyze compassion on Lopez. The activities will amplify what is already working in our Lopez Community, inspire new interactions, lead to new friendships, increased understanding about each other, bring more compassion to our daily lives, and improve our well-being.

Reconnect and serve the unfolding web of life in this week long challenge to protect, restore and show compassion for Mother Earth and our fellow community members!

There will be an opening ceremony with a special guest speaker. On the last day, there will be a celebration event to share what we have learned and accomplished. And lots of other exciting, fun activities each day in between.

### What Can You Do?

Individuals, families, teams, businesses, and organizations can play in many ways. Sign up to become a Secret Agent of Compassion. Each day, you'll receive a secret mission – a theme of what to do with some suggested activities being offered in the community. Or create your own activities that are meaningful, tangible actions that inspire us all to LOVE THIS PLACE AND EACH OTHER.

THEME:  
LOVE THIS  
PLACE

Serve the Earth  
and Lopez  
Community

Have Fun! Meet  
New People!

Organize and  
Create:

- Service projects for the earth
- Activities that gather people
- Projects that promote acts of kindness

There are lots of  
volunteer  
opportunities:  
Help us spread the  
word, plan  
activities or  
participate in April.  
Come join us!
